THE JEFFERSON HOUSE, located on the east shore of Lake Hopatcong at Nolan's Point, Jefferson Township, has been an important dining and entertainment attraction on the lake since its construction in 1926. Remodeling and renovation over the years have made its facilities and atmosphere second to none. For that truly memorable event or occasion, ask about our newly decorated lakeside view banquet hall.

The Jefferson House is now booking office and retirement parties. Quality and price will reflect the same attitudes of the management that made the restaurant a "must" stop for vacationers and boaters on the lake during the summer months.
